President's Message

June 2023

Dear Fellow Residents,

June is upon us and it seems as though the year is flying by! We continue to have a pretty full slate of activities. This month, we have Father's Day, The Dragon Boat Festival and Movie Night to look forward to. Our movie this month will be "80 for Brady".

Our Directory should be ready to distribute by the end of June. We will again have a box in the clubhouse for you to drop off your old Directories and Whalers for shredding. The next shredding date for Sunnyvale is Saturday, July 8. The box will be located on the floor under the CCVRA mailbox. It will be removed on July 7.

There have been some issues in the clubhouse and pool area of late. Everyone needs to pick up after themselves when using the facilities. Staff have come into the clubhouse and found ping pong balls on the floor. In the pool room, there have been pool cues and balls left lying around and on the floor as well. These are real trip and fall hazards. This is a senior park; I don't want anyone to get hurt. There have also been pool noodles, balls, and other items left on the pool deck, spa area, and in the pool. To have continued access to these activities outside of office hours, we all need to do better.

The Recipe Box

Savory and Spicy Apricot Sauce

Costco Connection - May 2023

Instructions

Combine all ingredients in a Dutch oven or large saucepan. Bring mixture to a boil over a medium-high heat, then reduce heat to a simmer. Cook mixture until it begins to thicken and is syrup-like, about 30 to 60 minutes, depending on the moisture content of the apricots.

Test the sauce for doneness: Dip a spoon into the sauce, removing any excess, then drag your finger across the back of the spoon, through the sauce. If the sauce holds the line, it is ready. For a thinner sauce, use an immersion blender to purée it. Serve warm or cool. Once the sauce has cooled, refrigerate it in an airtight container and use within 10 days. Makes about 8 (1/4 cup) servings.

Makes 4 to 6 servings.

Ingredients

1 lb apricots, halved, pitted and chopped
1/2 cup light brown sugar
1/4 cup honey
1 Tbsp white miso or 1/2 Tbsp soy sauce
1/2 tsp red pepper flakes
2 garlic cloves, minced
1/4 tsp salt
1/4 cup apple cider vinegar

Zion National Park and
Bryce Canyon National Park
By Peggy Wegner

Zion National Park elevation is 4,000 feet and about 694 miles from Sunnyvale, CA.
Bryce Canyon elevation is at 8,000 feet and about 794 miles from Sunnyvale, CA.

These three pictures are from Zion Canyon. At Zion, you are looking up to the rock formations

Waterfall picture is from the Temple of Sinawava along the north fork of the Virgin River.

Trail to Scout's Lookout, showing the way down.

In Bryce Canyon, this tree is called "Twinkle Toes" as the erosion has washed away most of the ground around the tree and the tree is still standing and thriving.

In Bryce Canyon, this formation is called "Queen Victoria's Garden".

In Bryce Canyon this picture shows a "castle" as the rain, snow, wind, and erosion has sculpt the columns in this formation.

Major Points of Interest in April

TOWING

- ADOBE WELLS - Morris and Sons has been towing trunks belonging to contractors, who are remodeling or repairing homes. EVEN with the orange cones and company logo on the truck.
- PLAZA DEL REY -A Realtor's car was towed while she was showing a house.
- Our research indicates that any park with red lines, signifying fire lane, can have a vehicle towed at any time, We have not found any park rules stating that the cones make it legal to park on a red line.
- The impound fees are in the $300 & $400 range.

City Council

- Our city council member, Omar Din, is CONSIDERING setting an evening aside on a monthly or quarterly basis for residents to speak to him face to face about issues in the city. (the lane closed on Tasman, Moffett Park building plan)
- **.Update May 10, 2023** At this time, Omar has not committed to the visits.

State Legislation Bills of Interest

AB1034 This bill would ***enact the Mobilehome Affordability Act.***

The bill would **prohibit** the management of a mobilehome park from

- "increasing the gross rental rate for a tenancy for a mobilehome space more than 3% plus the percentage change in the cost of living (CPI), over the course of any 12-month period, as specified".
- "increasing the gross rental rate for a tenancy in more than 2 increments over a 12-month period, after the tenant maintains the tenancy over a 12-month period".
- "from imposing an increase in rent on a prospective purchaser or homeowner that purchases a mobilehome if the purchase qualifies as an in-place transfer, as specified."
- "The bill would exempt specified mobilehome spaces from these provisions".

THIS IS GOING THROUGH THE LEGISLATION NOW. IT IS NOT A LAW YET.

WHERE HAVE YOU BEEN?

Submitted by Nat Hanson

I have been in many places, but I've never been in Cahoots.

Apparently, you can't go alone. You have to be in Cahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there.

I have, however, been in Sane. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my friends, family and work.

I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore.

I have also been in Doubt. That is a sad place to go, and I try not to visit there too often.

I've been in Flexible, but only when it was very important to stand firm.

Sometimes I'm in Capable, and I go there more often as I'm getting older.

One of my favorite places to be is in Suspense! It really gets the adrenalin flowing and pumps up the old heart! At my age I need all the stimuli I can get!

I may have been in Continent, and I don't remember what country I was in. It's an age thing.

PLEASE DO YOUR PART!

Life is too short for negative drama & petty things. So laugh insanely, love truly and forgive quickly! From one unstable person to another...
