President's Message

July 2023

Dear Fellow Residents,

Summer is upon us. In the next few days, we have our 4th of July Celebration to look forward to. We could still use a few volunteers, if you would like to help out. Later in the month we will have Movie Night again. This month we will be showing: *Whitney Houston, I Wanna Dance With Somebody*.

By now you should have received your new Directory. I would like to thank the Directory crew: Priscilla Mattson, Kitty Etter and Daniel Schwartz for all of their hard work putting it together. It takes a lot of work to get the database as accurate and up to date as possible.

Barb Matson's walking exercise class continues to be very popular and she has just recently added Line Dancing on Friday mornings at 10:00 am. Way to go Barb!

We are also seeing progress on the new shed that is replacing the old "Spider Shed". I'm really looking forward to being able to use it. Thanks to Nathan Howard and Kenny Vaughn for making this happen for us!

OLD BUSINESS

- **DIRECTORY**

  We have finished following up with residents who did not respond to our request for information. **Priscilla Mattson**, **Kitty Etter**, and **Sheila Wark** have finalized the edits. All the information for the directory has been forwarded to **Daniel Schwartz**.

NEW BUSINESS

- **WILLOW RANCH**

  In mid-April, **Sheila Wark** had been approached by **Jim Burrmann** at Willow Ranch to foster a better sense of cooperation between the two parks when it came to attending each other's events. She spoke to **Nathan Howard** who discussed this with **Ryan Jasinsky** and **Patricia Davis** at BSM and **Belinda Samuel** (Administrator at Willow Ranch).

  It should be noted that the Board from Willow Ranch did not believe it was necessary to discuss with management. They went ahead and published in their last Waggin' Tongue a list of our events stating that they were open to all Willow Ranch residents. This was upsetting to BSM

(Continues on page 3)

(Continue from page 2)

management. Their jumping the gun basically killed the whole idea. In addition, some residents of Willow Ranch were using the emergency gate to come and go. This is a locked gate. By using the gate, it meant trespassing through some resident's yards on both sides of the fence. This is not anything we wish to encourage.

Management felt that it could become too onerous for us to run our events effectively. There were concerns about stretching our guest parking too far. BSM wants us to maintain our ability to direct our efforts to our own residents first. With all of this in mind, BSM felt it would be best to continue to do as we have been doing in the past. Residents of other parks are welcome to attend our events as long as they are a guest of a Cape Cod resident. **Note: This is still limited to 2 guests per homesite per event.** Also, Willow Ranch will no longer be publishing our calendar in their Waggin' Tongue.

- **CLOCK**
  New clocks have been purchased by **Nathan Howard** and installed by **Kenny Vaughn** in the clubhouse, pool and spa area.
- **SPA**
  Repairs to the spa (new railings) have been completed and the spa has re-opened.
- **NEW LIGHT AT ENTRANCE**
  The lights at the entrance to the park have been rewired and new lights have been installed. The chain and anchor have a new paint job. Everything looks good.
- **CLUBHOUSE UPDATES**
  Work began on May 24th to install new potlights and ceiling fans (with lights) in the clubhouse's main room. A new LED light has been installed above **Irene Lin's** desk.
- **SPIDER SHED**
  At Christmas when we had emptied the shed, **Sheila Wark** noticed some structural issues (due to water intake). **Sheila Wark** spoke to **Kenny Vaughn** and **Nathan Howard** about it and asked to see if the repairs would be covered by BSM or us (as we are the sole users of the shed). **Kenny Vaughn** checked with BSM and was told it was BSM's responsibility. In early January, **Sheila Wark** had a meeting with **Kenny Vaughn** and his supervisor. It was then determined that a new shed was the best course of action. **Kenny Vaughn** put in a work order. Construction of a new shed began on May 24th.
- **CLUBHOUSE VANDALISM**
  There have been issues of vandalism in the Clubhouse. A majority of it has been in the pool room area where decorative plants have been shredded and the coat rack destroyed. Screw hooks on the bottom of the pool tables have been removed. Pool cues and balls have been left thrown around the room and on the floor. **Bill Hines** noticed that 5 of the pool cues had the tips pried off. Fortunately, he found them before the pool tables had the felt ripped off. We have also had ping pong balls left on the floor in the main clubhouse repeatedly.

  In the pool and spa area, pool noodles floats and flutterboards have been left in the pool or all over the pool deck. The pool has had red Solo cups show up in the filter reducing the performance of the filter system. Even worse, the spa had an issue where a water bottle got stuck in the filtration system and the filter was not able to do its job. These are public safety issues that could result in the health department shutting down both areas.

- **PARKING**

  Management has been cracking down and ticketing residents who park in guest parking. At this time, there hasn't been any towing here but it can happen after your 3rd ticket. In other parks, vehicles have been towed in fire lanes (areas marked with a red line). Contractors working on a resident's house and a real estate agent have had their vehicles towed at other parks. This can be very costly as impound fees are generally in the $300 to $400 range and they usually want cash.

- **EVENTS**

  Exercise Class - Monday & Wednesday at 10:00 am to 12:00 pm

  At this point, **Barb Matson** has at least 20 people who are taking part. **Barb Matson** is going to expand to a line dancing class on Fridays from 10:00 to noon.

She would like to thank **Bill Hines**, **Peggy Wegner** and **Elizabeth Morrison** for helping with set-up. Thanks go out to **Peggy Wegner**, **Kathy Love**, **Art Aguiniga**, **Sheila Wark** and **Bill Hines** for the meal prep. Everyone enjoyed the food. Thanks to **Peggy Wegner** and **Priscilla Mattson** for running Bingo. The new games were a hit. Thanks to **Nat Hanson**, **Sheila Wark**, **Jeff Wensmann**, **Genevieve Wensmann**, **Daniel Schwartz**, **Barb Matson**, **Valentina Stahl**, **Sandy Holmes**, **Dace Kalvane** and **Derek Shaw** for the help with cleaning up. If **Sheila Wark** missed anyone, please accept her thanks. She would also like to thank **Barb Matson** and **Valentina Stahl** for taking down the decorations and packing them away after they had been up until the real Mother's Day. It really does take a village to get these events done!

  Movie Nights - May 13, 2023

  We screened: *Top Gun Maverick*. Doors opened at 6:30 pm and the movie started at 7:00 pm sharp. There were 14 people in attendance. We brought in $29.00 and had no expenses for this event.

  Memorial Day - May 29, 2023.

  Our Flag Ceremony was held at 11:00 am. It was followed by lunch for our Veterans. There were 44 people who signed up. There were 8 veterans in attendance: **Joe Manfrey**, **Charles Norman**, **Bill Hines**, **Art Aguiniga**, **Michael Hammersly**, **George Kulcher**, **Dave Sloan**, and **David Asplund**. There was plenty of food. Thanks to **Bill Hines**, **Peggy Wegner**, **Bruce Edmundson**, **Valentina Stahl**, **Barb Matson** and **Elizabeth Morrison** for set-up and decorating. **Sheila Wark** thanks **Tim Gladwin** for taking care of the sound system. Thanks go to **Bill Hines** and **Sheila Wark** for the flag ceremony. Thanks to **Peggy Wegner** for bringing items for our Veterans to peruse. Thanks to **Mary Knoppe** for the coasters she donated for the Veterans. **Sheila Wark** also thanks everyone who pitched in to help with clean-up as every little bit helps. We couldn't do these events without you.

A Good Bye Letter to All My Loved Ones at Cape Cod Village

I would like to tell you how much your love has meant to me.

My heart could burst because of all the love I feel for all of you.

This mobile home park is filled with such loving, helpful people your mind can't even begin to imagine.

I thank each and everyone of you for all your kindness you have shown to me.

Especially for your prayers.

I hope I have never seemed ungrateful.

I believe the love, joy and fun we have had here, had added at least ten years on to my husband Al's life.

We were both retired in 1994 when we arrived.

We biked, did chair exercise, pool exercise, line dancing. Al played cards. We had Sunday bar-b-ques, wonderful gatherings every month. He played poker. All in all, it was so much fun.

I want everyone to realize you give a little love and you get so much more in return.

We were on the Welcoming Committee with Peggy Maloney. Now there are so many people I do not know.

Everyone has been so kind to me, may God always bless each and everyone of you.

Sincerely
Carol Moore

Dungeness Crab Cakes

Costco Connection - June 2023

Instructions

Preheat oven to 375 F. Line a baking tray with parchment paper.

Whisk the egg in a medium bowl. Blend the mayonnaise, chives, bell pepper, celery, dill, seasoning and lemon juice. Stir in 1/2 cup of breadcrumbs. Gently fold in the crabmeat. Divide the mixture into 6 equal portions. Shape each into a small patty about 3 inches in diameter and 3/4 inch thick. Place crab cakes on a plate; refrigerate for 30 minutes.

Meanwhile, put the remaining breadcrumbs in a bowl and toss with the olive oil. Spread out the crumbs on the lined baking sheet. Oven-toast them just until golden, about 3 to 4 minutes.

Transfer the breadcrumbs to a shallow plate. Place the crab cakes in the breadcrumbs and press down gently to coat each side.

Transfer the crab cakes to the lined baking sheet. Bake on the middle oven rack for 20 minutes, until golden and heated through. Transfer to a serving plate. Makes 6 servings.

17th Century Timeline, 1600 Through 1699

The 1600s saw major changes in philosophy and science

By Mary Bellis

Major changes in the fields of philosophy and science took place during the 17th century. Prior to the beginning of the 1600s, scientific study and scientists in the field were not truly recognized. In fact, important figures and pioneers such as the 17th-century physicist Isaac Newton were initially called natural philosophers because there was no such thing as the word “scientist” throughout most of the 17th century.

But it was during this period that the emergence of newly-invented machines became part of the daily and economic lives of many people. While people studied and relied upon the more or less unproven principles of medieval alchemy, it was during the 17th century that a transition to the science of chemistry took place. Another important development during this time was the evolution from astrology to astronomy.

So by the end of the 17th century, the scientific revolution had taken hold and this new field of study had established itself as the leading society-shaping force that encompassed mathematical, mechanical, and empirical bodies of knowledge. Notable scientists of this era include the astronomer Galileo Galilei, philosopher René Descartes, inventor and mathematician Blaise Pascal, and Isaac Newton. Here is a brief historical list of the greatest technology, science, and invention hits of the 17th century.
