

President's Message

November 2025

The holidays are coming soon. It is hard to believe that 2025 is going to be over shortly.

I hope many of you were able to attend the Mid-Autumn Moon Festival that we hosted at the end of September. We are very lucky to have these performers coming to our Clubhouse. For this festival, we had two piano performances, three opera songs, soloists, dances, and martial arts. If you have not attended any of the Festivals we are privileged to have, I hope you do so in the future.

With the holidays approaching, we have moved the Association meetings so that they do not conflict with the holidays. The November Association meeting will be on November 18th, so it will not be the week of Thanksgiving. At this meeting, we will be voting on the 2026 Association Board. It is important to have as many residents attending as possible. The December Association meeting will be on December 16th, so we can all enjoy the Christmas and New Year's holidays. At the December meeting, we will be swearing in the 2026 Association Board.

Bingo will be on November 5th. The time will be from 7:00 to 9:00 pm with the cost being \$1.00 per card per game. Come and see how lucky you are with bingo.

In December, we will be decorating the clubhouse on the 6th at 11:00 am. We can always use everyone's help to make the clubhouse merry. I hope to see you there! The Holiday party will be on December 13th with more information to come as we get closer to the date.

NEW BUSINESS

► 2026 BOARD

There is an opening for a new Board member. Please let **Peggy Wegner** know if you are interested in being on the board.

► ASSOCIATION MEETING

Peggy Wegner talked about the issue of having people attend the Association meetings. The Association meeting date and time is listed on the monthly activity flyer, the calendar in the clubhouse and the calendar in the Whaler. She asked for any more suggestions on how to improve the attendance. One suggestion from **Pong Yeung** was to have it during the Birthday Cake at the beginning of the month. It was decided that this would not be a good time as residents are there

(Continues on page 3)

to socialize. Also, the number attending Birthday Cake has gone down. Another suggestion was to change the time from 7:00 pm to 6:30 pm. No one seemed to like that idea. It was brought up that in the past, when residents move in, that management has talked up the Association. **Elizabeth Morrison** mentioned that she is having a hard time passing out the Welcome packet, as residents are not home or not interested in receiving the packet.

► ENERGY SAVINGS ASSISTANCE PROGRAM

Wednesday, October 15th at 7 pm. **Juan Aliaga** from Synergy Corporation will be presenting ways to help the residents save energy with home improvements. A flyer will be going out next week with the International Potluck flyer.

The Recipe Box

Pane Criminale

Costco Connection - October 2025

Instructions

Adjust an oven rack to the center position and preheat to 400 F.

Mince 8 garlic cloves. Heat a small saucepan over medium-low heat and add the oil and garlic. Cook, stirring constantly, until garlic is tender and fragrant, about 7 minutes. Do not allow it to take on any color. (If the garlic is starting to brown, remove pan from heat and add a few drops of water.) Pour the garlic and oil into a medium heatproof bowl and set aside.

Finely grate remaining 2 garlic cloves. When minced garlic and oil are cool, stir in grated garlic, butter, parsley, Parmesan, garlic powder, and salt and pepper to taste.

Deeply score the bread in 1-inch slices, but not all the way through. Generously spread garlic butter on one side of each slice. Wrap in aluminum foil and place on a sheet pan.

Bake for 20 minutes (10 minutes for baguettes). Unwrap the top of the loaf and bake until the crust is browned and crisp, 5 to 8 minutes. Remove from the oven and let cool slightly before serving. Makes 1 (1-lb) loaf or 2 (8-oz) baguettes.

Ingredients

- 10 large garlic cloves, peeled and divided
- 2 Tbsp extra virgin olive oil
- 8 Tbsp unsalted butter, at room temperature
- 1/2 cup parsley leaves, basil leaves and/or chives, finely chopped
- 1/3 heaping cup Parmesan, finely grated
- 1 tsp garlic powder
- Kosher salt, to taste
- Freshly ground black pepper, to taste
- 1 (1-lb) loaf rustic country bread or 2 (8-oz) baguettes

November 2025

There is nothing new to report at this time, so we would like to thank all of you who helped us work on keeping Tasman Drive two lanes.

EDITORIAL COMMENT: BY Tim Kerr (speaking as himself), Vice President of SMHPA

The "Keep Tasman 2 Lane Petition" had 1182 signatures, a combination of digital and signed paper petitions; the opposition had 661 signatures. The six people who worked on this for almost 3 years all spoke at the city council meeting, along with 4 other presentations. The opposition had 20-plus speakers, many who didn't even live in District 6.

Due to the outcome of the vote, we believe the council's mind was made up long before the July 29th meeting. They not only went against what the majority wanted, but they picked the most expensive option that slows emergency response time, per the Police Chief at the meeting. Also, they picked the option that makes it extremely difficult to bring in a new home to Paza del Rey and Casa de Amigos.

Here is the only good news: the City of Sunnyvale does not have the funding for this project and probably won't for many years to come.

This issue goes beyond the question of having a bike lane on Tasman Drive. It illustrates the fact that this city council has its own agenda and does not care about the preferences of the citizens of Sunnyvale.

If you want the city council to know that the vote illustrates the fact that we know they do not care what the residents in their districts prefer but vote for their own agenda. Then send them a message.

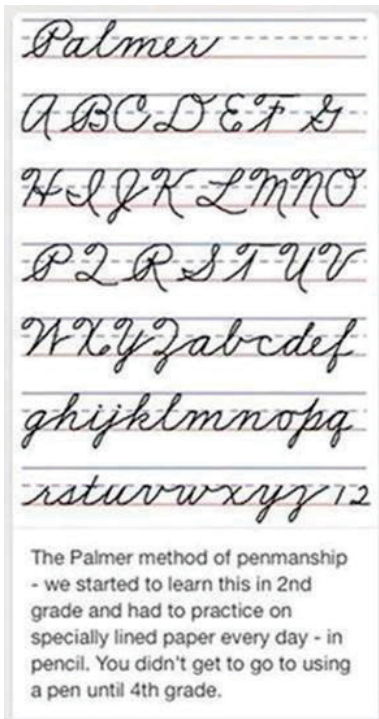

1. Go to (sunnyvale.ca.gov)
2. Scroll down and click on Access Sunnyvale,
3. Click contact us,
4. Under "Departments," select "Council (including mayor)."
5. Type in your message

Catacombs of Kom el Shoqafa, Alexandria, Egypt

The Catacombs have the honor of being the largest Roman burial site in Egypt and dates to the 2nd century AD. The disappearance of a donkey led to the accidental discovery of the Catacombs in 1900. While the donkey fell through an access shaft, today's tourist can descend via spiral and stone staircases to the first and second lower levels (the third level is inaccessible due to flooding). Not much is known about the people who were buried here; it's said the complex could hold more than 300 corpses. Somewhat ghastly, but what is interesting is the merging of Roman, Greek, and Egyptian styles of art and decoration. We visited with a guide which made the visit more informative and educational.

The Arabic name translates to English as “the mound of potshards”, referring to the broken dishes and plates that marked the area before the tombs were discovered below. This extensive complex of impressively decorated tombs dates from the Roman Era and are considered as one of the “Seven Wonders of the Middle Ages”.

The tombs at Kom Al-Shuqafa are thought to have originally belonged to a single wealthy Roman family that began using it for burials around the 2nd century AD; however, the complex was significantly expanded and it was used through the 4th century AD.

Fortified Berber Granary

The fortified Berber granary, or “agadir,” is an ancient structure found in the mountains of Morocco, with some in continuous use for over 800 years. Built by the Amazigh people, these granaries were designed to store grain, oil, and valuables, protected from raids and the elements.

The Agadir of Amtoudi, perched on a rugged hill, is a prime example, with thick stone walls, watchtowers, and narrow entrances providing defense. Inside, small storage rooms were marked with family symbols and accessed by ladders.

These granaries not only secured resources but also acted as communal hubs, showcasing the resilience and ingenuity of the Berber people over centuries.
